EDUCATION

Radboud University <i>Bachelor of Science, Artificial Intelligence</i>	Nijmegen, The Netherlands September 2025 – June 2028
Fraser Heights Secondary School <i>British Columbia Certificate of Graduation</i>	BC, Canada June 2025
Rothsay High School <i>Exchange program</i>	NB, Canada January 2023 – June 2023
TED Ankara College Foundation High School	Ankara, Turkey September 2021 – January 2023

EXPERIENCE

Turkish Technology (Turkish Airlines)

Artificial Intelligence Intern – Global Talent Bridge Program July 2026

- Co-developed OptiCargo, a project focused on optimizing air cargo ground operations by reducing aircraft turnaround time and minimizing operational delays.
- Explored how cargo preparation, loading order, equipment availability, and unexpected disruptions affect an aircraft's ability to depart on time, gaining experience in air cargo operations, process optimization, and real-time decision-making.
- Placed 2nd among all projects presented in the program, working in an international team of students studying in different parts of the world.

Biosistem Sağlık Ürünleri

Meeting Translator BC, Canada
June 2025

- Provided Turkish–English interpretation during an international business meeting between Biosistem Sağlık Ürünleri, a Turkish healthcare company, and a Vancouver-based company, supporting professional communication and collaboration discussions.

Fraser Heights Secondary School

Robotics Club Member BC, Canada
September 2023 – February 2024

- Competed in the Surrey (BC, Canada) Robotics League (SRL), where our team reached the elimination rounds at two separate tournaments.
- Collaborated with teammates as a core member of the robotics club to design, build, program, and test competitive VEX V5 robots.
- Played an active role throughout the process, regularly supporting both problem-solving and team coordination during high-pressure moments.

PROJECTS

Personal Portfolio Website

April 2026

helinbbulut.github.io/portfolio

- Designed and developed a personal portfolio website using HTML, CSS, and JavaScript, deployed with GitHub Pages.

VOLUNTEER EXPERIENCE

Vancouver International Children's Festival

Festival Face Painter BC, Canada
May 2024 – June 2024

- Volunteered 28 hours at the 47th Vancouver International Children's Festival, face painting in one of the most crowded and popular venues.

Rothesay High School

NB, Canada

*House Committee**June 2023*

- Organized the seating plan, placing and labeling over 250 chairs, and folded and distributed programs.
- Oversaw entrance fees, ticket collection, and cleaning for every show.

TED Ankara College Foundation High School

Ankara, Turkey

*April 23rd National Sovereignty and Children's Ceremony**April 2022*

- Helped with video shootings during the practices of the April 23rd National Sovereignty and Children's Ceremony.

TED Ankara College Foundation High School

Ankara, Turkey

*Visual Arts**2021 - 2022*

- Contributed significantly to the production of an artwork made from waste materials.
